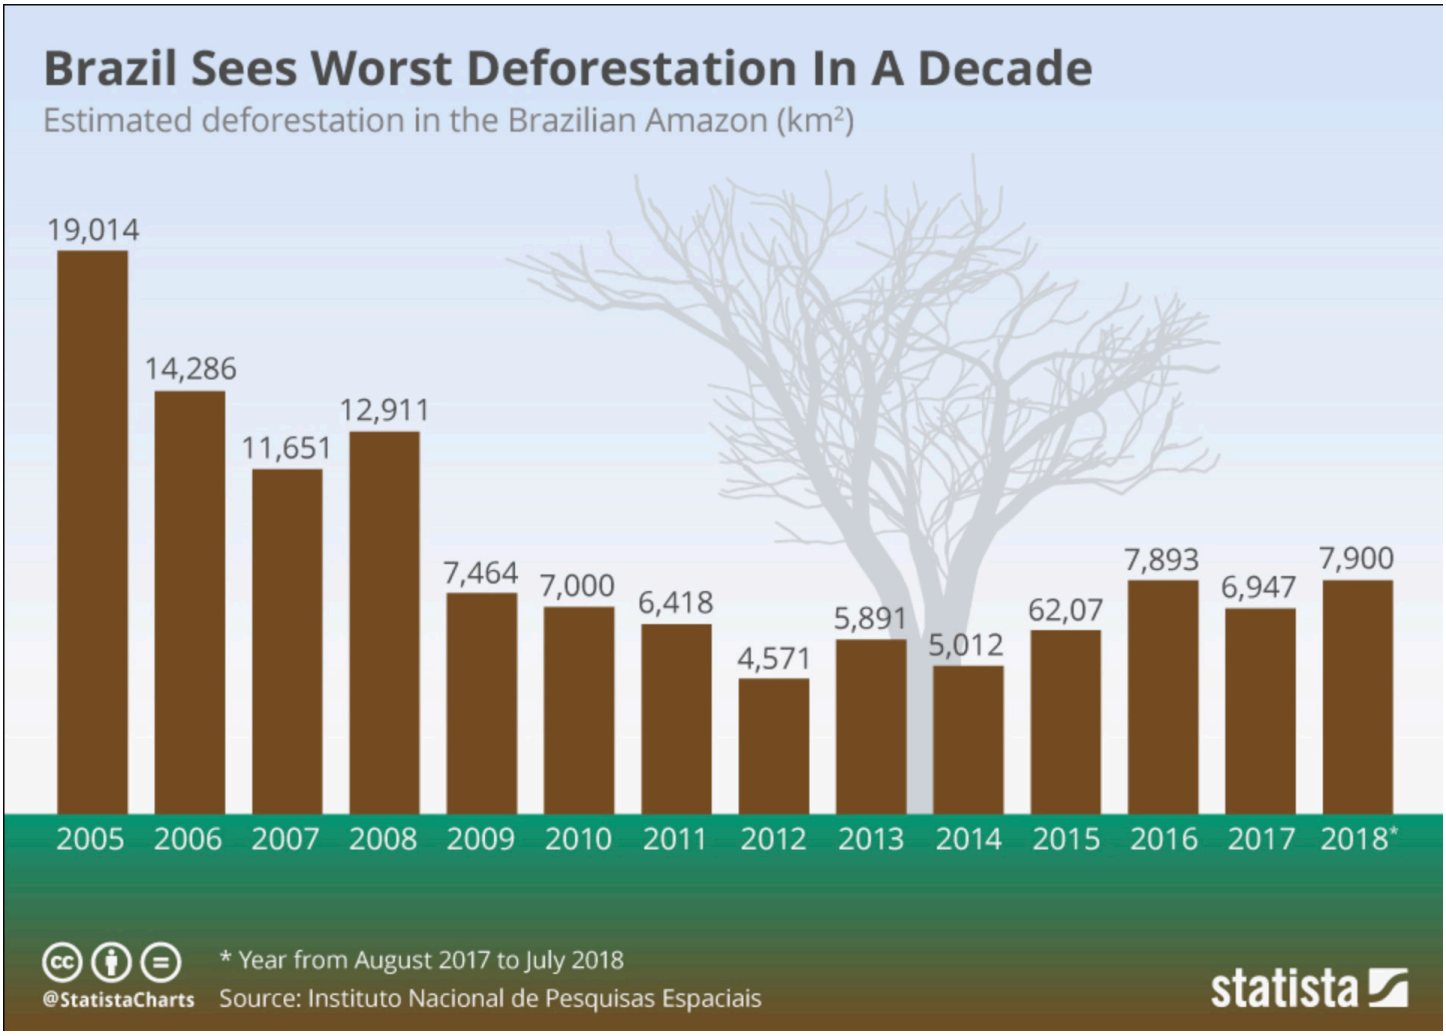
Youcubed Data Talk
Deforestation

What do you notice?
What do you wonder?
What is going on in this data visualization?



https://www.statista.com/chart/16212/estimated-deforestation-in-the-brazilian-amazon/

There is a powerful and complex story behind this graph. The Amazon rainforest is the world's largest tropical rainforest, known for its biodiversity. Although the region may seem distant and unfamiliar to many, the effects of deforestation (clearing trees) in the Amazon are global.
